ABOUT M.N. ENGINEERING

For over **32 years**, M.N. Engineering has been a trusted name in educational and institutional furniture manufacturing. From **preschools** and schools to **colleges, universities, hostels**, and **training centers**, we deliver durable, ergonomic, and innovative furniture solutions designed to enhance learning, comfort, and productivity.

Our comprehensive product range includes **two-seater desks, integrated benches, classroom chairs, adjustable racks, almirahs, bunk beds, steel cabinets**, and **hospital beds**—each crafted with a focus on comfort, functionality, safety, and long-term durability.

Over the years, we have proudly supplied furniture to **State Government** and **Central Government** institutions, along with leading corporations such as **JSW, IMF, IDBI, SBI Life, Ramco Cement, Shiva Cement**, and **Aditya Birla Fashion & Retail** through CSR initiatives. Our commitment to quality and reliability has earned us lasting trust and recognition across sectors.

At **M.N. Engineering**, we also specialize in custom-designed furniture solutions, ensuring timely delivery and complete furnishing support for **schools, colleges, hospitals**, and **hostels** across Odisha and beyond.
